

## **To all current and future customers of Kit Carson Telecom**

As we start a new year here at your local internet provider, we are pleased to announce a new approach of bringing the World Wide Web into your home or small business. Kit Carson Telecom has gone through changes recently that have brought a new attitude for doing business with the community.

We have a new Manager and are currently restructuring in order to provide better communication to our customers. We will strive to provide, excellent service before and after the sale, friendly and knowledgeable tech support, and maintain the best Internet and VoIP service that is expected from your local Telecommunications Company. We are making a promise to provide a more reliable and efficient service at fair prices.

Kit Carson Telecom is presently in the process of providing a network of Fiber-Optic High-Speed Communication to the Taos valley as well as surrounding areas. With this introduction of technology to our back yards we are going to be able to bring North-Central New Mexico into the 21 century.

Kit Carson Telecom needs your input to advance the ideas into action. Our focus is bringing you the best service and experience possible. Thank you for all your support and patience these last years, we hope to remain your internet provider and would like to invite new customers to come check out “the new and improved Kit Carson Telecom” including the up-and-coming reconstructed web site.

*The Kit Carson Telecom Family*
