Description of Service Furnished

Amount of Charge  
(non-refundable)

13. For other special services furnished by Utility at request of consumer, actual cost of labor, transportation, materials, plus 100% of the sum of the labor, transportation, material costs, and applicable overhead, will be charged.

X  
X

\*Applicable where not more than a standard service drop is required and when same is installed so that it can be incorporated and fully used as all or a part of the permanent service without loss of materials. All other temporary service shall be based on actual "up and down" cost with consumer or contractor making deposit to pay for same (see Rule 12).

\*\*Plus estimated bill for six months based on consumer's average usage of electricity or the average consumer usage for his billing classification, whichever is higher, plus round-trip mileage, overhead, etc.

X
