

## Standby Policy

Kit Carson Internet Standby policy requires that the account:

- Must be in good standing (paid in full) to date.
- Must have been on or active for a minimum of six (6) consecutive billing cycles.
- Can only be on standby for a “maximum” of six consecutive billing cycles and then will be automatically re-activated at the full rate.
- Can only be placed on Standby on the 1<sup>st</sup> day of the month following the request.
- Service can be re-activated at any time of the month at a pro-rated rate.
- The current Standby rate of \$27.50/mo. plus tax is subject to change with 30-day notice.
