Wireless Access for Members/Students in Public Locations

March 23, 2020

FROM: Kit Carson Internet

To: Members/Students

Kit Carson Internet (KCI) is committed to public and employee safety. As a service to our community, KCI is activating free wi-fi to locations listed below to serve those in need of internet access. KCI encourages social distancing, according to the recommendations from the Governor and we will continue to update the public. KCI wants to ensure the public has access to news, information and updates during this vital time. It's our commitment to the customers we serve. Below are the following free wi-fi spots. The passwords for the locations are:
