

## PRESS RELEASE

### KIT CARSON PROPANE WILL OFFER \$1.90 PER GALLON FOR PROPANE UNTIL FURTHER NOTICE TO HELP AID WITH THOSE IMPACTED BY COVID-19

March 19, 2020

Effective March 20, 2020, KIT CARSON PROPANE (KCP) announces they will reduce the price for propane to \$1.90 per gallon and it will remain in effect until further notice for customers impacted the coronavirus / COVID-19 emergency. KCP will also wave finance charges effective March 20, 2020.

For all customers who have outstanding bills, who are laid off or furloughed from work, or who have a difficult time paying bills, KCP will not shut off customers and continue to fill propane orders (100 Gallon Max). For more information, please call our office at (575)758-7757

" We feel the financial responsibilities and side effects to our members from the Covid-19 pandemic. KCEC is listening and taking action to help our members in every way possible" said Luis A. Reyes, Jr., C.E.O. of KCEC. "We are taking these actions -suspending all and any disconnections, enhancing our online billing payment portals, relief of late fees, as well as, lending our crews in support of food delivery to meet the needs in the community. We recognize that this situation is changing rapidly. It is an uncertain time for many of our members and KCEC is committed to ease the stress many are experiencing."

To help reduce the spread of the virus, we encourage our members to utilize online payment portals and call customer service.

Kit Carson Electric Cooperative and their family of companies are committed to provide the services to our members during this pandemic. Stay healthy and safe.
