 **KCEC is 56% Daytime Solar**

**CEO'S MESSAGE**

**KCEC and Town of Taos Finalize Power Purchase Agreement for One Megawatt Solar Array**

Kit Carson Electric Cooperative (KCEC) and the Town of Taos have finalized a thirty-year Power Purchase Agreement (PPA) to provide clean, locally sourced energy, increasing resiliency in the region. This agreement will stabilize utility rates for both entities and their customers.

On August 22, 2017, KCEC's CEO, Luis A. Reyes Jr., Town of Taos' Mayor, Dan Barrone and Town Manager, Rick Bellis signed a thirty-year PPA ensuring the stabilization of wastewater rates for Town of Taos' utility customers and clean, dependable and affordable energy for KCEC's members. KCEC will purchase the solar energy generated by a one-megawatt array to be constructed by the Town. The PPA will create a long term, fixed cost that is substantially lower than current fossil fuel generated electricity purchased over the grid.

The one-megawatt array will be adjacent to the Town of Taos Wastewater Treatment Plant and next to KCEC's current three-megawatt solar array. The solar array will bring \$2,000,000 into the community and encourage economic growth in the region. The Town of Taos project is in the design phase, with construction to begin in February 2021 and completion in June 2021. The one- megawatt project is the first project between KCEC and the Town of Taos.

"Kit Carson Electric Cooperative and the Town of Taos are modeling what future cooperation looks like, leading the way towards a resilient, renewable and reliable future. It's excellent when local partnerships benefit members in offsetting multiple utility bills utilizing renewable energy. A true community partnership", says CEO Luis A. Reyes Jr.

"We at the Town of Taos are excited to move forward on the solar array project with Kit Carson Electric Cooperative which benefits the entire region and for generations to come. Prioritizing initiatives that decrease our carbon footprint, help stabilize utility rates and provide a more sustainable infrastructure can only come about with strong partnerships like this one where we share a strong commitment to move our community forward, together."said Town of Taos Mayor Dan Barrone.

Sincerely, Luis A. Reyes Jr., CEO

**KCEC Encourages Alternative Payment Options**

During this pandemic, KCEC wants to ensure the safety and well-being of our employees and members. KCEC's lobby hours are changing in accordance with the Governors mandates in reducing the COVID cases in NM. **MEMBERS CAN ALWAYS PAY THEIR BILLS AT KITCARSON.COM.** Here are other ways to pay:

**KIT CARSON ELECTRIC**  
**MAIL TO PO BOX 578, TAOS, NM 87571 (Check & Money Order)**  
**Drop Box Location On The Right Of KCEC Front Door**

**CALL: (800) 688-6780 OR (575) 751-8132 (Check & Credit Card)**

**Winter Weatherization**

Weatherization is home improvement done to increase energy efficiency. Examples of weatherization are improved air sealing, insulation, moisture controls and ventilation. A weatherized home will be healthier, safer and more comfortable for living. The benefits of weatherizing your home include:

- Energy Costs Savings
- Water Cost Savings
- Less Out-Of-Pocket Health Costs
