

# Penasco Bottle Dock Now Open!

In efforts to assist our communities in these uncertain times, Kit Carson Propane is opening the Bottle Dock in Penasco, located on State Road 75, to service the affected areas.

We will begin servicing the community on Monday, May 16th, from 9 am - 2 pm. We offer a special price to the affected areas of \$1.99 per gallon. Please stop by and fill your bottles.

## We are in this together.
