

CYBERSECURITY

Incident Management Workshop

Monday, Nov 14, 2022 | 9AM – 11:30AM

Kit Carson Electric Cooperative
118 Cruz Alta Rd, Taos, NM 87571

This workshop will help you:

- Write a cyber-Incident Response Plan
- Understand how to incorporate cyber incident management principles into existing policies
- Identify personnel and equipment needed for an effective response to cyber-incidents
- Identify plan evaluation and update cycles
