

# PLANNED SUBSTATION MAINTENANCE

Kit Carson Electric Cooperative will be having a  
**PLANNED SUBSTATION MAINTENANCE**

On Monday, August 05 through August 09, 2024, KCEC will have a planned substation maintenance at the Penasco substation. KCEC crews will be upgrading relays, meters and SCADA equipment. KCEC will also perform routine maintenance in preparation for the upcoming months.

**Affected areas: Penasco Substation. No Members  
will be affected.**

**• Date: August 5 -9, 2024**

KCEC wants to inform its members about the planned maintenance, which will not affect any members. The purpose of this communication is to keep members informed about our actions and maintenance plans as we prepare for the upcoming months. We want to ensure that our members continue to benefit from upgraded and well-maintained infrastructure.

IF YOU HAVE ANY QUESTIONS, PLEASE CALL KIT CARSON ELECTRIC  
COOP @ (575) 758-2258. THANK YOU FOR YOUR PATIENCE.
