Kit Carson Electric Cooperative Encourages Members to Celebrate Together During this Holiday Season

Kit Carson Electric Cooperative is encouraging members to participate and join us in the celebrations happening in December. KCEC wants to highlight and recognize all of the events in our service territory.

Whether it is a tree lighting, light parade or a local Chamber of Commerce gathering, these events are crucial in bringing communities together. KCEC is participating in the following events throughout the service territory to represent the value of appreciation and gratitude towards our communities:

- Tree Lighting Ceremonies
- Light Parade and Decoration Contest
- Festival of Tree Events
- Taos Feeds Taos
- Chamber Events
- Community Days
- Many More!!

These events are spread throughout December and are happening in your local community. We invite our members to celebrate the holidays with KCEC! Also, KCEC is having a Christmas light and decoration contest to bring out the holiday spirit. Submit a photo of your decorated home or business in KCEC's service territory to win prizes, certificates and \$\$\$ off your electric bill. See the back page for more information!

Through these financially challenging times with inflation and rising prices, we encourage those who can spare any financial assistance this year to donate. Please consider donating to programs like Members Helping Members, Taos Feeds Taos or your local non-profit. We all need to work together to ensure our families, friends and neighbors have the necessities they need for the upcoming winter months.

From our family of companies to yours, we want to wish you a Merry Christmas and a Happy New Year!

Kit Carson Propane

Did you know Kit Carson Propane offers budget billing? Budget billing is a valuable tool for regulating the cost of propane. The program determines the monthly payment based on the annual usage and the average price of propane. If you are interested in budget billing, call the office for additional information.

We are hiring! We are now accepting applications for a Service Technician and Operations Manager. Please apply on our website, in person, on Indeed, or email your resume to svigil@kitcarson.com. We offer competitive wages, benefits, and much more.

Our Ojo Caliente location is now open on the first Friday of every month, providing a convenient opportunity to refill your propane. We accept credit cards, debit cards and check payments for propane, bottle dock service, and recertification on expired cylinders. We offer a bottle dock program. Fill nine cylinders and receive the 10th FREE. Please note that this location does not accept cash.

At Kit Carson Propane, your safety is our top priority. If you have any concerns, please do not hesitate to contact our office. We are here to ensure your peace of mind.
