***Kit Carson Electric Cooperative, Inc. Helps Aid Federal Employees Separated  
from Employment***

**Taos, NM** – During these trying times Kit Carson Electric Cooperative, Inc. (KCEC) will assist federal employees who are separated from employment. KCEC understands the financial obligations of federal employees during this difficult time. We are here to help our members and the communities we serve.

KCEC will not disconnect electric, internet or propane services for federal employees who are separated from employment; however, to avoid disconnection of service it is important that you contact KCEC, KCI and KCP to establish a payment arrangement.

Federal employees must submit a copy of their separation of employment letter in person or email to [csuazo@kitcarson.com](mailto:csuazo@kitcarson.com). KCEC's "Members Helping Members" program will assist federal employees and their families with a one-time \$80 credit toward their electric bill.

Kit Carson Internet (KCI) and Kit Carson Propane (KCP) will assist federal employees that are separated from employment with a one-time \$50 credit toward their KCI internet bill or KCP propane bill. To be eligible for the credit the Federal employee must be listed on the electric, internet or propane account. KCEC encourages all those affected to submit their letter of separation from employment. For KCI one-time credit submit a copy of separation of employment letter in person or email to Nadine Varela, KCI Office Manager, [nvarela@kitcarson.com](mailto:nvarela@kitcarson.com). For KCP one-time credit submit a copy of separation of employment letter in person or email to Shannon Vigil, KCP Manager, [svigil@kitcarson.com](mailto:svigil@kitcarson.com).

We want to thank you for being a valuable member and appreciate you. KCEC understands the value of community and the importance of our members. **To be eligible for one-time credits please respond to KCEC, KCI and KCP by March 31, 2025.**
